### CALL FOR ABSTRACTS

## **Special session on** *Bayesian Network Modelling for Risk Assessment in the Oil&Gas Industry*

Safety assessment in oil and gas (O&G) industry is necessary to prevent unwanted events that may cause catastrophic accidents and heavy financial losses. The special session aims at presenting the most recent advancements in Bayesian Network modelling for risk assessment in O&G, challenges and perspectives.

**Please submit your abstract by November 10, 2019**

Please submit your abstract through the conference website, [www.esrel2020-psam15.org/authors.html](http://www.esrel2020-psam15.org/authors.html). In step 1 of the submission procedure, select “*Bayesian Network Modelling for Risk Assessment in the Oil&Gas Industry*” as conference track. Also, please send a copy of the abstract by email to the special session organizers.
